## ***Eric Kirnbauer promoted to Vice President, Operations & Application Development for Tesia-PCI Corporation***

**April 2007 – Great River, NY:** Tesia-PCI Corporation (Tesia-PCI) is proud to announce the promotion of Eric Kirnbauer to Vice President, Operations & Application Development. A loyal employee of Tesia-PCI for many years, Eric has demonstrated a level of commitment and dedication that proudly represents the organization. Eric will retain his present day-to-day operational responsibilities in addition to expanding his role within corporate planning and product development.

“Eric’s commitment to ensuring a continually high level of excellence in all aspects of our company’s business - irrespective of departmental boundaries - has allowed the organization to grow and prosper over the years” says Mr. Harvey Rock, Chairman/CEO of Tesia-PCI Corporation. “We are blessed to have such a loyal and focused employee, and hope other members of the Tesia-PCI family will look towards him as an embodiment what we seek within our company”.
