Tesia-PCI Corporation Awarded Business Process Outsource Service Agreement by Health Net Federal Services

December 5, 2006 – Great River, NY: Tesia-PCI Corporation, a leading electronic health care and business process outsource (BPO) company, has been awarded a service contract by Health Net Federal Services, administrator of the TRICARE North region, to provide paper-to-electronic conversion services. Tesia-PCI will be performing the services from its newly opened facility located in Arlington Heights, IL and supported by its New York corporate facility.

Under the TRICARE North contract, Health Net provides health care services to over 2.9 million uniformed services beneficiaries, active and retired, and their families. The TRICARE North region includes: Connecticut, Delaware, the District of Columbia, Illinois, Indiana, Kentucky, Maine, Maryland, Massachusetts, Michigan, New Hampshire, New Jersey, New York, North Carolina, Ohio, Pennsylvania, Rhode Island, Vermont, Virginia, West Virginia, and Wisconsin. In addition, the contract covers a small portion of Tennessee, Missouri and Iowa.

Health Net Federal Services, Inc. is the Government Operations Division of Health Net, Inc. As the first company in the United States to develop comprehensive managed care programs for military families, Health Net has a long history of providing cost-effective quality managed health care programs for government agencies.

“Tesia-PCI is proud to have been selected from a highly competitive group of bidders to provide services to the United States Military,” states Harvey Rock, Chairman/CEO of Tesia-PCI Corporation. “We look forward to delivering outstanding services to Health Net and its constituents”.
