Need to cure the pain of
high processing rates?

**We have the remedy
for you!**

Build efficiency and reduce your processing costs!

Tesia-PCI, your specialist in electronic services for your office, and National Processing Company (NPC), a leader in payment processing, have teamed up to offer you a valuable credit & debit card processing service **right on your computer.**

NPC is offering a specialized program with **reduced rates just for you.** NPC will waive your usual registration fee of \$99.00, offering you drastically lower-than-market-average processing costs.
